Dear Sonic X-Grams: I loved seeing Cosmo in issues #5 and #21. Will she be in more issues? I know the TV show killed her off, but it left an opening to bring her back. After that whole mess with Fiona over in SONIC THE HEDGEHOG, Tails deserves to be happy.

If you guys don't know what Ronald's talking about, you haven't been keeping up with the SONIC THE HEDGEHOG comic! To answer your question, who knows what "TAILS" are in store for Cosmo in the future. Stay Tuned, kids!

Also, why does Tails have two tails? Japanese legend says that some foxes grow extra tails as they get older and wiser, up until they have nine tails, gaining new powers with each tail.

- RONALD M.
CALIFORNIA

Ah yes, the old... Fox... Of... Many Tails... proverb. Er, well, safe to say that Tails' situation is probably a bit different, but the truth of where his second backside appendage originated from is still a modern day marvel.

Dear Sonic X-Grams: Hiya! I just thought I'd drop a "hello" and say congrats to all the hard workers on the SONIC THE HEDGEHOG comics. I'm an old, old, old fan of 21 years of age.

21 is old? Thanks a lot.

Fell in love with the whole "Sonic" thing when he first came out on the Genesis! You guys really are something else! I especially love the different arts styles in the comics, from different artists to stories: WILD! Oohhhh man, I had never had so much fun in a comic series before! It's just great fun to read them! I'm an aspiring artist myself (no, I'm not trying to ask for a job!) and I just wanted to say that one of the leading inspirations in my life to continue drawing was, you guessed it: Sonic the Hedgehog! I never admit that to anyone!

Well, you just did. To the whole world. Oops!

I'm blushing. This is the first Sonic fan letter I've ever written; I'm probably a little late in the game! Heh heh, please don't post my fan letter in your SONIC THE HEDGEHOG comics! I think I'd be mortified!

Don't worry, we won't. We'll post it in SONIC X instead. Enjoy being mortified!

Here's to you guys sticking to it and doing your best for future years to come! Congrats again on your hard work... You've kept that "little blue bad-star" still feisty and cool after all 16 years! Yessir, y'all are way past cool, indeed! <3 Lotsa love and support, you guys!

"Big Trouble in Little Station Square, Part 1"

S.O.N.I.C.X. is back with another convoluted plot to ruin Sonic's rep! What's their scheme this time, and will the Chaotix be able to "size up" the situation? Maybe...but not how you think!

On Sale the Week of 11/3/08!!
